*To make a stuffed pillow or ornament.. DO NOT STITCH THE BORDER UNTIL ALL OTHER STITCHING IS COMPLETE. Then add thick batting and back with matching calico fabric to form a sandwich. Stitch border of backstitching through the two layers of fabric to make your pillow or ornament. After layers are stitched together, fray the edges.

BE CREATIVE!

- ***Add beads to border to add even more sparkle to your ornament.
- ***Stitch as gift tag or give in ornament exchange.
